

DISCOVER ELY 2007

Welcome to Ely

Ely is an ancient market town which continues to serve local shoppers and visitors from around the world, as it has done for centuries. Bustling markets, a vibrant shopping centre and café, pubs and restaurants ensure that the streets are always alive with activity.

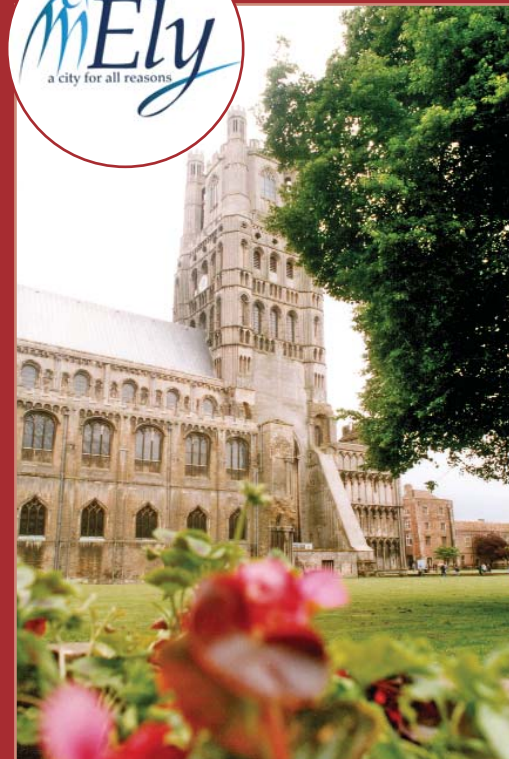

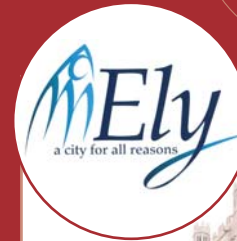

The local paper, the Ely Standard is running a Shop Here campaign to highlight the many delights the city has to offer and encourage residents to explore their local shops.

Markets

As a town, Ely has an award-winning general market every Thursday. On Saturdays there is a craft and collectables market, too and this shares the market place with the thriving farmers market - which takes place on the second and fourth Saturday of each month - and a smaller version of the general market on the first, third and - where applicable - fifth Saturday of each month.

Attractions

The town boasts a number of attractions including the Old Gaol Museum, on Market Street, Oliver Cromwell's House which is home to the Tourist Information Centre, the Babylon Gallery on Waterside and not forgetting the Cathedral and the Stained Glass Museum which is actually inside the Cathedral.
